ACKNOWLEDGEMENTS

Thanks to my wife Professor Tara Brabazon for all her love, brilliance, companionship and inspiration.

I would like also to thank all the people around the world who have given me very helpful feedback on ideas and concepts from the books which were also previously trailed in personal website blog posts, Facebook and LinkedIn messages, Skype conversations, tweets, podcasts, seminars and vodcasts as well as multiple essays for journals and websites.

Finally, thanks to my editor Philippa Grand and all at Emerald Publishing.

*I really think we are living in very dangerous,
interesting times ... Today is the time for
theory ... There is hard work to be done.
It is a unique task.*
