

CHALLENGING THE TEACHING EXCELLENCE FRAMEWORK

Great Debates in Higher Education is a series of short, accessible books addressing key challenges to and issues in Higher Education, on a national and international level. These books are research informed but debate driven. They are intended to be relevant to a broad spectrum of researchers, students, and administrators in higher education, and are designed to help us unpick and assess the state of higher education systems, policies, and social and economic impacts.

Recently published in this series:

Leadership of Historically Black Colleges and Universities: A what not to do Guide for HBCU Leaders

Johnny D. Jones

The Fully Functioning University

Tom Bournier, Asher Rospigliosi and Linda Heath
