

# INDEX

- Adverse childhood experiences (ACE), 4
- Appreciative inquiry participatory action research (AIPAR), 24, 29, 46, 59
  - cycles, 60, 67
  - with TIPE, 24–26
- Appreciative inquiry process strategies, 25
- Attitude to school surveys (AtoSS), 26, 34
- Auditing and reviewing TIPE strategies in classrooms, 64–65
- Bottom-up capacities, 9–11
- Brain break, 19–20
- Check-in strategies, 55
- Childhood trauma studies, 4
- Classrooms, auditing and reviewing TIPE Strategies in, 64–65
- Co-regulation, 18
- Collective teacher efficacy (CTE), 40, 55
- Community-wide approach
  - auditing and reviewing TIPE strategies in classrooms, 64–65
  - developing confidence and competence to deliver consistency of practice, 63
  - future directions for TIPE, 66–71
  - importance of context, 60–62
  - structured coaching, 65–66
  - towards trauma-informed education systems, 71–73
- Competence to deliver consistency of practice, 63–67
- Confidence to deliver consistency of practice, 63–67
- COVID-19, 2, 29
- Culturally responsive pedagogies, 72–73
- De-escalation, 19
- Design process, 15
- Dinosaur brain, 50
- Education systems, 72
- Einstein brain, 50
- Fidget tools, 11, 19
- Garron Secondary College, 27, 31, 34, 39–40, 42, 45–47, 55, 59–64, 66, 68, 71, 76
  - challenges and future opportunities, 41–43
  - context, 27–29
  - implementation of TIPE at, 31–35
  - initiating professional learning in TIPE, 30–31
  - professional learning for whole school, 29–30
  - reframing TIPE within school's instructional model, 35–36
  - shifting school culture to non-punitive approach, 31–35
  - impact of TIPE, 39–41

- Individualised teacher coaching
  - session, 52
- Instructional approach, 37, 39
- Leader, 54
- Learning, 17
- Mindful practices, 20
- Missouri Model, 6, 10
- National Child Traumatic Stress
  - Network, The, 13
- Non-clinical professionals, 4
- Non-punitive approach, shifting
  - school culture to, 31–35
- Non-therapeutically trained
  - professionals, 3
- Parent volunteers, 69
- Pedagogical progress, 68
- Positive education, 23
- Positive primer, 37
- Proactive behavioural
  - management, TIPE
  - strategies for, 53–56
- Proactive support, 54
- Professional learning
  - initiating professional learning
    - in TIPE, 30–31
    - for school, 29–30
    - with TIPE, 24–26
  - undertaking professional
    - learning in TIPE, 46–47
- Professional learning teams (PLTs),
  - 63
- Psycho-education, 50
- Psychological resources for
  - wellbeing, 23–24
- Qualitative methods, 9
- Ready to Learn Plans, 32–33, 55
- Ready to Learn Scale, 55
- Regulatory abilities, TIPE, 18–21
- Relational abilities, TIPE, 21–23
- Relational strategies, 31
- Safety, 10
- Safety Plan, 20
- Schools
  - culture to non-punitive
    - approach, 31–35
  - reframing TIPE within school's
    - instructional model, 35–36
  - school-based mental health
    - professionals, 2
  - transitioning students
    - throughout, 51–53
  - trauma-informed education
    - strategies for, 15
- Secure-base strategies, 21
- Self-regulation strategies, 19
- Sensory strategies, 11, 19
- Social emotional learning (SEL),
  - 1, 7, 12
- Strength spotting, 23
- Structured coaching, 65–66
- Students, 5, 28, 40, 55
  - transitioning students
    - throughout school, 51–53
- Teachers, 3–4, 16, 18, 28, 38, 49,
  - 54, 75
  - own capabilities, 2–4
- Top-down capacities, 9, 11–13, 17
- Trauma, 3
- Trauma-aware, 6
- Trauma-informed classrooms, 11
- Trauma-informed education,
  - 16–17, 23, 75, 76
  - approach, 39
  - bottom-up capacities, 10–11
  - building teachers' own
    - capabilities, 2–4
  - foundations of, 4–6
  - implementation layers of
    - trauma-informed education
      - intervention, 7–8
  - literature, 12
  - need for, 1–2
  - ongoing iteration and definition
    - of, 6–7

- prevalent themes of trauma-informed education, 9
- strategies for schools, 15
- systems, 71–73
- top-down capacities, 11–13
- Trauma-informed instructional approach, 38
- Trauma-Informed Positive Education (TIPE), 15–16, 18–19, 59, 75–76
  - impact of, 39–41
  - approach, 71
  - auditing and reviewing, 64–65
  - Coaching Rubric, 65, 67
  - developmental domains of, 15
  - future directions for, 66–71
  - hook, 36
  - implementation of TIPE at Wiyal Primary School, 47
  - increasing psychological resources for wellbeing, 23–24
  - increasing regulatory abilities, 18–21
  - increasing relational abilities, 21–23
  - initiating professional learning in, 30–31
  - instructional model, 35, 39, 64, 67
  - learn, practise, and apply, 37–38
  - lesson, 48–51
  - proactive behavioural management, 53–56
  - professional learning, 47
  - professional learning and appreciative inquiry participatory action research with TIPE, 24–26
  - reflection, 38–39
  - strategies, 32, 37, 54, 70
  - team, 28
  - transitioning students throughout school, 51–53
  - trauma-informed education strategies for schools, 15
  - undertaking professional learning in, 46–47
- Trauma-informed schools, 12
- Trauma-responsive, 6
- Trauma-sensitive, 6
- University ethical process, 26
- Wellbeing, increasing
  - psychological resources for, 23–24
- Whole school, professional learning for, 29–30
- Wiyal Primary School, 45, 53–54, 56, 59, 61–69, 71
  - challenges and future opportunities, 56–57
  - context, 45–46
  - implementation of TIPE at, 47–56
  - undertaking professional learning in TIPE, 46–47
