

Retraction notice

The publishers of the International Journal of Human Rights in Healthcare wish to retract the article Almuhr, E., Al-Labadi, M., Shatarah, A., Khan, N. and Bashir, R. (2022), “Studying structure of Coronaviridae, analyzing their geometry and focusing on the role of electronic applications in health awareness of viruses”, International Journal of Human Rights in Healthcare, Vol. 15 No. 2, pp. 128–136. <https://doi.org/10.1108/IJHRH-01-2021-0003>.

An internal investigation into a series of submissions has uncovered evidence that the peer review process was compromised. As a result of these concerns, the findings of the article cannot be relied upon. This decision has been taken in accordance with Emerald's publishing ethics and the COPE guidelines on retractions. The authors would like to note that they agree with the retraction.

The publishers of the journal sincerely apologize to the readers.
