ACKNOWLEDGMENTS

We would like to thank all of our colleagues who donated their time to serve as peer reviewers for pieces in this volume and provided valuable feedback to the authors. We also would like to thank Kiera Chan and Riley Hunt for their assistance with the final edits for the volume. Collectively, we also thank all study participants showcased in this volume for sharing their stories with our esteemed colleagues so we can understand their lived experiences across the life course. Finally, we thank Barbara M. Altman, Sharon N. Barnartt, Allison C. Carey, and Sara E. Green for leading the charge on this book series and allowing us to be part of the legacy.
