

# INDEX

- Absorptive capacity, 124
- Academic institutions, 60
- American Society for Training and Development (ASTD), 108
- Apprentices Act of 1961, 57
- Archival Data Analysis, 142
- Artificial intelligence (AI), 4, 89, 105, 154
- Aspirational Districts Program, 57
- Automation, 104, 154
  
- Banking consumers, 24
- Banking services, 24
- Big data, 97
- Big Data Analytics, 154
- Bigrams, 76, 79–81
- Blackboard, 138
- Blended learning, 140
- Blue-collar sector, 11
- Budget restraints, 11
- Business, 2–3, 154
  - innovation, 129
  - organisations, 61
  - planning, 169–170
  - psychology, 6
  - selection, 168
  - start-up competitions, 162
  - strategy, 63
- Business Strategy Game, 162
  
- Capital markets, 33
- Cardiothoracic Surgery Network (CTSNet), 93
- Challenges, 174
  - faced by SMEs in emerging economies, 118–124
- Chi-squared test, 165–167
- Chief Executive Officer (CEO), 124
- Chinese SMEs, 122
  
- Citizen development, 97
- Cloud access security brokers, 97
- Cloud computing, 4
- Cloud enterprise resource planning, 97
- Collaboration, 64
- Competencies, 3, 102–103, 179
- Competitiveness, 7, 59
- Competitor analysis phase, 169
- Computational linguistics, 76
- Computer-based learning (CBL), 136
- Computer-based training (CBT), 136
- Computer-mediated
  - communication, 137
- Competencies, 103
- Consumer guidance, 28
- Continuing professional development (CPD), 51
- Continuous learning, 29
- Continuous training and development, 155
- Correlations, 79–81
- County School Inspectorates (CSI), 72
- COVID-19 pandemic, 2, 94, 102, 137, 140, 143
- Creative problem solving, 60
- Creative recruitment processes, 95
- Cryptography, 76
- Culture, 7
- Cybersecurity, 4
  
- Data analytics, 4
- Deloitte, 142
- Demand and supply theory, 102
- Descriptive analysis, 76
  - bigrams and correlations, 79–81
  - job distribution, 77
  - jobs from industry, 78
  - word cloud analysis, 79
- Developing countries, 2

- Developing talents, 4
- Development programs, 8–9
- Digital media 137
- Digital platform, 137
- Digital reskilling, 103
- Digital technologies, 3–4
- Digitalisation, 109–110
- Digitisation, 103, 138
- Discussion forums, 137
- Distance education, 139
- Distributed cloud systems, 97
- Document-term matrix (DTM), 75–76
- Domestic economic recovery, 57
  
- E-contents, 136
- E-internships, 64
- E-learning systems, 136
- Economic development, 48
- Economy, 3
- Education, 71, 138 (*see also* Financial education)
