

Acknowledgments

We are grateful to the IC2 Institute for its support of the research underlying this book. Helpful comments were received from Robert Hardgrave in the Government Department of The University of Texas at Austin, Carl Woodring former chairman of the English Department in Columbia University and Leon Cooper, writer, inventor and retired president of Home Safeguard Industries. We are grateful William A. Barnett, Oswald Distinguished Professor of Macroeconomics in the Department of Economics at the University of Kansas who helped bring this book into existence and to Professor Mehmet Dalkir at the University of New Brunswick in Fredericton, Canada, for helping us on some of the subtleties and deeper aspects of Muslim life and religion.

Reader comments, corrections and criticisms are all welcome and will be appreciated. They may be directed to either author.
