

# SUBJECT INDEX

Page numbers followed by f and t indicate figures and tables, respectively. Those followed by n indicate notes.

- Aabe Zam Zam, 250
- Abdulaziz Ibn Saud, king, 234
- Accessibility, 130
  - and receptivity, complementarity between, 44–45, 45f
- Achievement competition, 57
- ADB. *See* Asian Development Bank (ADB)
- Afghan crisis
  - and sectarian conflict in Pakistan, 245–247
  - Zulfiqar Ali Bhutto, 247
- Afghanistan
  - Afghan resistance movement, 247–248
  - bombing campaign in, 275
  - Deobandi Islam, influence of, 248–249
  - madrasahs, 248–249
  - Soviet invasion, 247
- Afghan jihad, 248
  - sectarian organization, birth of
    - Barelwi sect organizations, 255–257
    - Deobandi organizations, 249–255
    - Shia organizations, 257–258
  - war against Soviet Union, 248
- Afghan resistance movement, 247–248
  - mujahideens, recruitment of, 247–248
- Africa
  - political recycling, 276
  - sociocultural traditions, 276–278
- African National Congress (ANC), 317
- Agenda 21, 124, 125
- Agostinho Neto, 322
- Agreement
  - on Non-Attack of Nuclear Facilities, 284, 307–310
- Aircraft, 227
- Air space, violation of, 284
- al-Aqsa mosques, 228
- Algeria–Morocco dyad, 217
- Algerian defense, spending, 220
- Algerian grievances, 220
- Algerian military expenditures, 219
- al-Qaeda group, 166
- al-Qaeda organization, 236
- American war, 16
- Andalusian economy, 179
- Angola
  - civil war, 312
  - cold war, 312
  - cold war transition and linking strategy, 315–317

- Namibia, 320–321  
 and Namibia solution, 322  
 post-cold war, 318–319  
 ripeness, elements of  
   economic/governance system, 327–329  
   military situation, perceptions of, 325–327  
   MPLA and UNITA parties, 321–323, 323–325  
   natural resources, 329–331  
 ripeness model, 313  
 South Africa, 319–320  
 South African Defence Force (SADF), withdrawal, 317
- Anti-Ahmadi movement, 255
- Arab economic integration. *See* Econometric study: model specification; Intra-Arab migration
- Arab invasion, 151, 152
- Arab labour markets  
   development in, 208–209  
   interrelated labour mobility, 209
- Arab Maghreb Union (AMU), 211
- Arab muslims  
   from Maghreb area, 166
- Arab Persian Gulf (PAG), 234
- Arab regions, intra-regional migration in, 205–206
- Arms imports  
   action-reaction process, 215
- Asgharia Students Organization (ASO), 257
- Asian Development Bank (ADB)  
   inception workshop in April 2000 by, 83  
   list of commonly agreed MPIS, 114–117
- Asian financial crisis (1997 and 1998), 74–75, 77  
   first generation models, 77  
   second generation models, 77–78
- August 2008 conflict  
   between Georgia and Russia, 6–7
- Autocracies  
   and democracies, risk of war between, 4, 5, 11  
   risk of war, 5
- Autonomous communities, 170
- Awareness, social system, 131
- Axis powers  
   and Western powers, trade between, 9
- Backwardness, advantages of, 10, 22n16
- Badajoz agreement, 149
- Baitullah Mahsud, 254
- Balear Autonomous Community, 163
- Bangladesh, 231
- Banking, 104–105. *See also* Macropprudential indicators (MPIs)
- Bardulias, 153, 154
- Barelwi madrasahs, 249
- Basque autonomous community, 148, 158
- Basque country  
   historical and ethnic conflicts, 150–158
- Basque government, 156
- Basque-Iberic language, 150
- Basque language, 153
- Basque–Navarre merger, 156
- Basque race, 148
- Belgium
